How it works / Active ingredients

This serum takes on all the skin's concerns in one super-charged formula containing a Vitamin C, Aloe Vera, Green Tea, Vitamin B5 and hyaluronic acid that goes into your skin's own defence system, activating the skin feeling energised and reduce damage. The high concentration of Vitamin C from plum reduces the appearance of brown spots and other types of sun damage, helps boost healthy collagen production, reduce inflammation and irritation. It fades the post-breakout red marks by improving skin's natural healing and protects the skin from pollution and other daily stress. Vitamin B5 also has anti-aging properties; it soothes, softens and moisturizes the skin, reducing the appearance of fine lines and wrinkles. It has exfoliating properties fighting free radicals and promotes new skin cells to consistently regenerate, offering a more youthful, fresh appearance.

3+ Unique Competitive Advantages

- High concentration of ingredients
- Quickly absorbed by the skin
- Contains Vitamin B5 & C, Aloe Vera, Green Tea & Hyaluronic Acid
- Immediately gives a firmer feeling to the skin – ideal for mornings
